## CIVIL SERVICE.

Hundred and Twelve Thousand and Ap-  
plicants For Jobs Examined.

Washington, Dec. 22.—Frank M. Kig-  
gins, chief examiner of the civil ser-  
vice commission, in his annual report  
says that during the last fiscal year  
there were 112,024 persons examined for  
the classified service of the gov-  
ernment and 40,423 appointments to all  
branches of the service.

Of the appointments 24 per cent were  
purely clerical positions, 3 per cent to  
professional, technical or scientific po-  
sitions, 38 per cent to mechanical po-  
sitions requiring no educational ex-  
amination and 7 per cent to skilled labor  
positions not exactly mechanical in  
their character, but requiring no edu-  
cational examination.  
Of all those examined nearly 80 per  
cent passed, and 30 per cent of all ex-  
amined were successful in securing ap-  
pointment. Mr. Kiggins says the com-  
mission has reduced its examinations to  
essential tests of fitness and urges the  
consolidation of a large number of  
local boards of examiners throughout  
the country to secure closer supervision  
and more effective administration.  
The report states that conditions of  
employment in the Philippines are im-  
proving.

**President Takes a Rest.**  
Washington, Dec. 22.—President  
Roosevelt began the observance, with  
the congress, of the holiday recess. No  
visitors were received at the White  
House. Indeed, the president did not  
appear in the executive offices. Shortly  
before 10 o'clock he walked to the res-  
idence of Secretary of State Hay and  
remained with the secretary about  
twenty minutes. Returning to the  
White House, he left almost immedi-  
ately on an extended horseback ride. Dur-  
ing the next two weeks the president  
will receive only such callers as have to  
present to him the most urgent public  
business. He will spend in the execu-  
tive offices only such time as may be  
necessary for the disposition of impor-  
tant correspondence.
